Re: Rehearsal

What's up?

I hope that your summer has been relaxing so far. Mine hasn't been. If anyone knows how to grow grass and prevent soil erosion I am all ears. We are about 5 weeks away from Band camp starting (August 2nd) and we have set up a few rehearsals in order to learn the rest of the show music. If attendance is good and everyone is getting their job done, 1 or 2 rehearsals may be cut.

Rehearsals will be at the high school band room and will take place from 4-7 PM on the following dates: Friday July 9th
Friday July 16th
Friday July 23rd
Friday July 30th

If you have a conflict with any of these rehearsals, you need to contact me ASAP. 559-7370 or mmoreland@mhs.org. We want to be able to add drill when camp starts and not have to waste time learning things that should already be learned. I really feel that this band has a ton of potential and I am very excited about this coming competition season. Enjoy the rest of your summer break.
